

SUSSEX COUNTY BOWLS

Walk overs given in County Competitions

There was considerable confusion in 2025 as to the correct procedure for awarding a walkover in any competition.

The standard procedure that is required to be used - for when a match has been played - is that the player or team who has **WON** the match - is required to enter the result.

HOWEVER, when a player or team is unable to fulfil a match - then it is - **THAT PLAYER OR TEAM** - that must enter the walkover - **AS IT IS THEY WHO ARE CONCEDING THE MATCH.**

The procedure is as follows:

The player or team who is/are conceding the match should:

- a) Enter the area where they would normally enter the result if they had won;
- b) and then - tick the blue box (that says W/O next to it) - **under the team or player - WHO IS/ARE BEING AWARDED THE WALK OVER.**
- c) Then click in the black SAVE box - and exit.
- d) **You - MUST - then notify the Competition Secretary as to the reason a walkover has been given.**
